Reference: September Monthly Report (8/1/08-8/31/08)

Dear Mr. Jones:

This correspondence is to clarify and correct our previous message related to the reporting of an Independent Expenditure in the above referenced report.

The amount reported on the 48 hour notice filed 8/25/2008 was correct. Our initial response to your request for information incorrectly indicated that there was an error in the amount on the 48 hour notice. Upon review we have identified expenses that were included in the 48 hour notice but were not listed on our Schedule E. We have amended our September monthly report to correctly identify the items included in the 48 hour notice as communication costs associated with the Independent Expenditures on Schedule E supporting Line 24.

This response was originally prepared to be filed 11/14/2008. In the process of reviewing the correcting actions and amending the associated reports, the filing of this text was accidentally delayed.

I trust this will answer any question related to this matter, however please feel free to contact me if you have any remaining questions.

Sincerely,

Pat Huyck  
Director of Accounting
